### PVP DATA

You can view your stats from PVP MATCHES

The screenshot shows a game profile interface. At the top, there's a 'PROFILE' header with a gold coin icon showing 13009, a diamond icon showing 45, and icons for friends, mail, settings, and a Wi-Fi signal. Below the header, on the left, is a character model in a tactical suit with a drone flying above. A 'SHARE' button is at the bottom left of the character model. On the right, the 'DEATH MATCH' section displays the following statistics:

DEATH MATCH	
KILL/DEATH	47/90
K/D	0.5
WIN/LOSS	1/8
WIN RATE	11.1%
HEADSHOTS	19

MODE	WIN/LOSS	KILL/DEATH	K/D

BLAST MODE	0/0	0/0	0.0
BIO MODE	0/0	0/0	0.0
ANTI-GRAV	0/0	0/0	0.0

At the bottom of the profile, there are three tabs: 'INFO', 'PVP DATA' (which is selected), and 'RM DATA'.

You can check for things such as:

- Kill/Death data
- Win/Loss ratio and win rate
- How many headshots you made

- Your data for each PVP game mode

### *RANKING MATCH DATA*

You can view your stats from RANKING MATCHES

The screenshot shows a game profile interface. At the top, there's a 'PROFILE' header with a currency icon showing 13009 and a level icon showing 45. Below the header, on the left, is a character model in tactical gear. On the right, a section titled 'RANKING MATCH (CURRENT SEASON)' displays statistics. A 'SHARE' button is located below the character model. At the bottom, there are tabs for 'INFO', 'PVP DATA', and 'RM DATA', with 'RM DATA' being the active tab.

RANKING MATCH (CURRENT SEASON)				
	BATTLES	0	WINS	0
	KD	0.0	WIN RATE	0%
	KILLS	0	HEADSHOTS	0
MODE	WIN/LOSS	KILL/DEATH	K/D

6 subcategories will appear

#### GENERAL GAMEPLAY

- Play on a team of 5vs5 or less
- Each round is timed

#### TEAM DM

- First team to get 40 kills wins

#### TEAM DM-AF

- Same as TEAM DM, except it automatically fires for you when you aim at other players
- Makes life easier for you

#### PHANTOM MODE

- Your opponents will be invisible, find and kill them
- First team to get 5 kills wins

#### EGO MODE

- This is a deathmatch where, for every kill, your head gets bigger
- Dying resets your head size

#### DRONE MODE

- This mode is a simple deathmatch where you are allowed to use drones and their special abilities

#### HEAD TO HEAD

- Head to Head is a deathmatch where it is just you versus one opponent

#### ANTI-GRAV

- No gravity will be in the maps, meaning you can jump to higher places to shoot
- First team to get 40 kills wins

Once you have selected your mode, select your map, and click on

## BLAST MODE

Go to

3 subcategories will appear

### BLAST MODE

- In this mode, players are separated into two teams. The goal of one team is to plant a bomb while the goal of the other is to stop this from happening

### PHANTOM MODE

- This mode is like Blast mode except that one of the two teams is nearly invisible (only visible while moving)

### BLAST MODE-AF

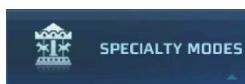

- This is like regular Blast Mode but with the autofire turned on
- Makes it easier for you

Once you have selected your mode, select your map, and click on

### SPECIALTY MODE

Go to

3 subcategories will appear

### BIO MODE

- In this mode, after 15 seconds, one of the active players gets turned into a zombie. The goal of this game is to be the last one standing.
- A single attack is enough to infect you so be careful!

### EGO MODE

- This game mode is like a normal deathmatch, but for every kill you get, your head gets bigger.
- Head size resets with death

### ANTI-GRAV

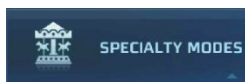

- This game mode is a standard deathmatch except with lowered gravity

Once you have selected your mode, select your map, and click on
